

**DATE:** Thursday September 14, 2017

**MEETING TIME & LOCATION:** 9:30 AM – 3:15 PM

The Travel Information Services Committee and the Delaware Valley HOGs invite Coalition members to participate in this Crowdsourcing Summit.

This event will focus on Waze use by Coalition members agencies and is planned to include peer report outs, Q&A sessions as well as open discussion. It will focus on three primary aspects of using Waze data to make decisions (both from the agency and traveler standpoint) including:

- Capturing and filtering data from Waze
- Internal (operations) and external (travel information) use of data
- Evaluating Waze data

*The full draft agenda is provided on the following page.*

**Delaware Valley Regional Planning Commission  
190 N. Independence Mall West, 8th Floor  
Philadelphia, PA 19106-1520**

Photo identification will be needed to obtain entrance to the building.

*For in-person participants, coffee/bagels will be provided at 9:30am & lunch during the break at noon.*

**Members are encouraged to participate in-person, if possible, however web participation will be available.**

**PARKING:** Parking is available at the Constitution Center across from the building - entrance is on Race Street.

**RSVP for Summit:** Please respond by clicking on the following link & completing the RSVP form for the Crowdsourcing Summit by Tuesday, September 6, 2017.
