- 1:10 I-95 Corridor Coalition Activities Update Marygrace Parker
- 2015-2016 Workplan Approved/Funded Projects
 - Work Zone Monitoring
 - Traveler Information Webpage
 - Significant Events Coordination
 - 2016 Autonomous/Connected Vehicles Conference – What States Need to Know
- 1:25 Tools you can use: I-95 Corridor Coalition RITIS and Collaborative Decision Tool Demonstration Michael Pack, University of Maryland CATT Lab
- 2:00 Northeast Regional Peer Exchange Denise Markow, Kevin Donovan
- Outputs/Action Items Relevant to NE HOGS
- 2:15 Group Discussion Kevin Donovan, Denise Markow and the Group
- Overall review from the various states as to how they handled significantly increased traffic this year after years of dwindling traffic counts.
 - What problems were reoccurring? Did increased speeds in Maine, for instance, contribute to crashes?
 - Do TIM operating guidelines need to be updated as traffic volume increases on the same highway infrastructure?
 - Where are the states with SHRP 2 training numbers and what may be holding those numbers back? Is there need for other I-95 Coalition-Sponsored FHWA/SHRP2 IM Training Session?
- 3:00 p.m. Adjourn
